

ROUGEMONT

HYBRID INSULATED JACKET

M **TM19547** (S - 5XL)

W **TM99547** (XS - 3XL)

The Rougemont Hybrid Insulated Jacket offers superior lightweight warmth for an active lifestyle. A water repellent finish keeps you dry while system snap tabs that make it easy to add it to another jacket as a warm inside layer. For comfort, this jacket features a dropped back hem, contoured cuffs with thumb exits, and articulated elbows. An interior media pocket and cord guide keep devices accessible. The women's version has shaped seams and a tapered waist for a flattering fit.

FEATURES

- Repels water to keep you dry longer
- Wind- and water-resistant for extra protection against the elements
- Anti-pill material prevents tiny fabric balls from forming, so it always looks like new

FABRIC

100% Nylon dull cire woven. Insulation: 100% Polyester faux down fill.
